**Dusty,
God has blessed you with unique talents and abilities, and you have used those gifts well ! You've always taken nothing for granted; rather, you worked hard to prepare for a challenging future. Just as important as the lessons that you've learned in the classrooms are the ways that you've grown as a person; the friendships you have formed and the deeper understanding you have acquired of yourself and others. As you celebrate this milestone in your life and look towards a new horizon, never forget what has brought you this far. Remember the love of your family and friends.
