

Dear Bethis,
 We didn't realize this time in your life would come so soon, we have all watched you turn into the beautiful young woman you have become. God blessed us with you all these years, thank you for the gift you have given us, by being you! Don't ever change for anyone, continue to keep God first in your life, we love you!
 God bless you always in your future,
 Mom and Dad.

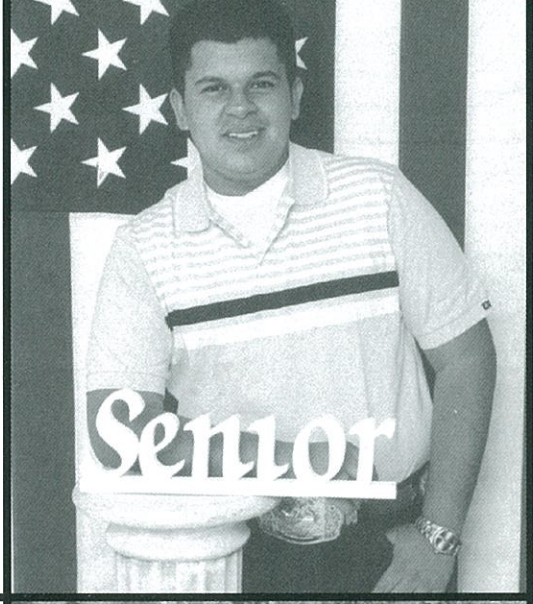

Cooter,
 If you ever get the feeling that you are out in left field alone, remember that we will always be here for you. Good luck in the future. You have made us all so very proud.
 We love you,
 Dad, Pam, Richard,
 Brandon, and Bradley.

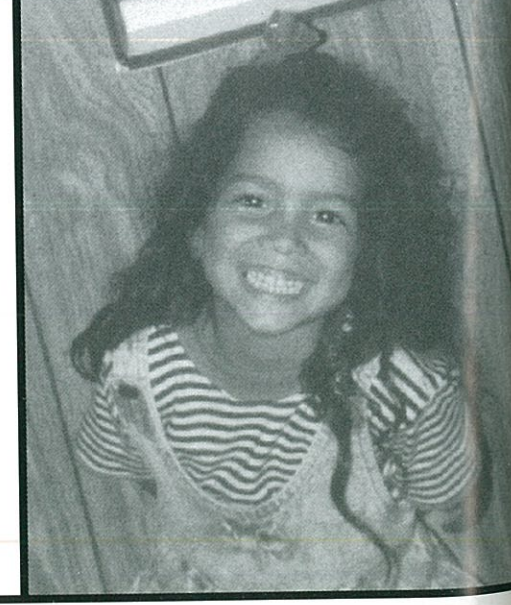

Adrianna,
 I fell in love with you the first instance I laid eyes on you. Witnessing your birth and seeing you in Mom's arms were sights that can only be described as gifts from Heaven itself. As you grew before our eyes, Mom and I discovered your personality and realized that you were unique. It was evident very early you had spirit and determination. We are proud of you for many reasons. We are grateful that you always looked out for your friends and for caring deeply for them. We are grateful that you loved school and chose to become involved in various activities, providing you with a wealth of experiences. Most of all, we are proud to call you our daughter and look forward to a great future. We always be there for you.
 Dad

Today
 Today is mine. It is unique. Nobody in the world has one exactly like it. It holds the sum of all my past experience; and all of my future potentials. I can fill it with joyous moments or ruin it with fruitless worry. If painful recollections of the past come into my mind, or frightening thoughts of the future, I can put them away. They cannot spoil today for me.

Lala,
 You made it!
 We're so proud of you. You just keep reaching for the stars, never give up, for the Lord will guide you always.
 Love you,
 Mommy, Daddy, and Dad.

Kacey,
 We have watched you grow from a strong willed girl into a beautiful responsible young lady. Know that the world is yours, go and achieve the goals you have set for yourself. The future belongs to those who believe in the beauty of their dreams. Keep your faith and your kind soul and there is nothing you can't do. We are so proud of you and love you so much.
 Mom, Bill, Derek, Nanny, and Papa.
