When it all started, you were only two. There were many, but we watched only you.  
Now you're grown, already eighteen. Out among others, without your "Home Team."  
But we are still here, asking God to Bless. With your drive and convictions, you'll be a success!  
Just remember, as you grow and go afar You will always be, our "Little Star."  
We Love You,  
Mom, Dad, and Maxie
