# Volleyball selects first beau

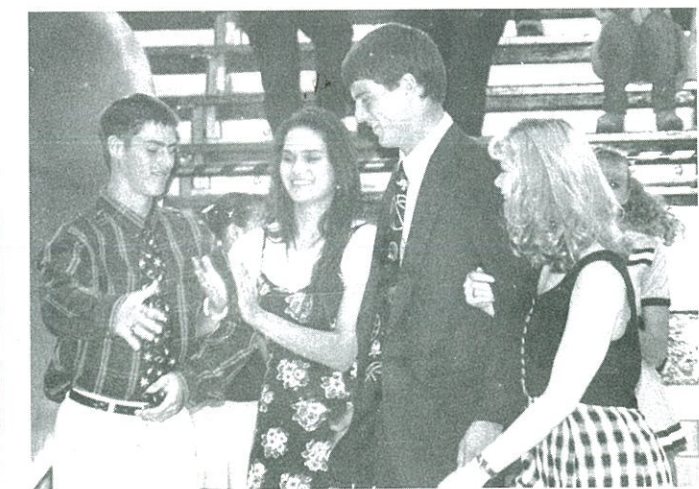

Beau nominees for 1995 were Victor Saucedo, Kyle Phillips, and Jeff Duncan

And the winner is . . . Kyle Phillips escorted by Corinne McLean.

Kyle Phillips was elected by the Lady Jackets as their 1995-96 Volleyball Beau. As much as possible, Kyle has followed the Ladies for four years from regular matches and scrimmages to district games and on to regionals. Being an athlete himself, he appreciates the support of Kermit fans and wants to be there to support the Lady Jackets whenever possible. He considers it an honor to be recognized by such an outstanding group of Lady Jacket athletes.

Kyle Phillips receives a slap on the hand from Jeff Duncan.
