On the evening of Tuesday, May 16, 1995, Kermit High School's most outstanding students attended the Eleventh Annual Awards of Excellence Banquet to receive their awards and be honored by parents, teachers, and various other KISD trustees and guests. Members of the Kermit High School Choir filled the cafeteria with melodious sounds before the meal began. Student Council President Bubba Bowerman gave the invocation. Superintendent Jimmy Davis spoke about the significance of an Award of Excellence. Following his speech, the sponsors presented the awards. Concluding a night of honor and pride, Jennifer Day, vice-president of the Student Council, said the benediction.
