

Homecoming Brings Smiles To Lots Of Faces.

A Circle Of Winners

The Lady Jackets Volleyball team once again had a very successful season. The Lady Jackets were 6-0 in district and 23-8 overall.

The Lady Jackets beat Presidio in Bi-District and Brownfield in Area, but could not pull it off against Springtown in Regionals. "They played well together!" says Coach Linda Knight.

The Lady Jackets got most of their power from Jr. Irma Cobos and Soph. Mindy Stansel. "Their blocks helped tremendously."

With the loss of only two Seniors, The Lady Jackets will come back strong next season. Next year will be the year of the real thing. "We can't be stopped." Coach Knight said.
