ECTOR 36...KERMIT 8
Coming from behind and scoring in the last three quarters, the Ector Eagles took their first district win from the Jackets.

BROWNFIELD 22...KERMIT 15
Closing a season with more losses than wins, the Jackets went to Brownfield only to lose a hard fought game. A last minute fumble proved to be the deciding factor in this game. Thus closed a 2-8 season for the Jackets. A much better season than the scores would indicate.
