The individual members do secretarial work for teachers for degree hours.

This year, the main project of the F. B. L. A. was the making and selling of the student directory, containing the names, phone numbers, addresses, and classifications of all the students in KHS.

Mrs. Mary Frances Millsap

The F. H. A. officers were installed in October at a formal initiation.

This is a very active club which attends several out-to-town meetings each year. This year they attended a district meet in Pecos, an area met in Odessa, and the state convention in Dallas.

The F. H. A. float took first place in this year Homecoming parade.

At Christmas time, needy families were given baskets of food by this organization.
