

## JUNIOR PLAY

It seems that Granny has lost her hearing aid.

Butch just can't stand that "rock and roll" music.

At this time the feud is just about to come to a screeching halt.

The Cast of "Look Who's Laughing" under the direction of Mrs. Mary Brown did a very fine job in presenting the play on the nights of December 11 and 12.

## SENIOR PLAY

Tommy, the cousin from Texas argues with Cactus.

Sheila gets last minute preparations before the wedding.

Peaceful and Eschew introduce themselves.

The cast of "My Cousin from Texas" enjoyed presenting the play as much as the audience enjoyed watching it.
