

JUNIOR HIGH HIGHLIGHTS

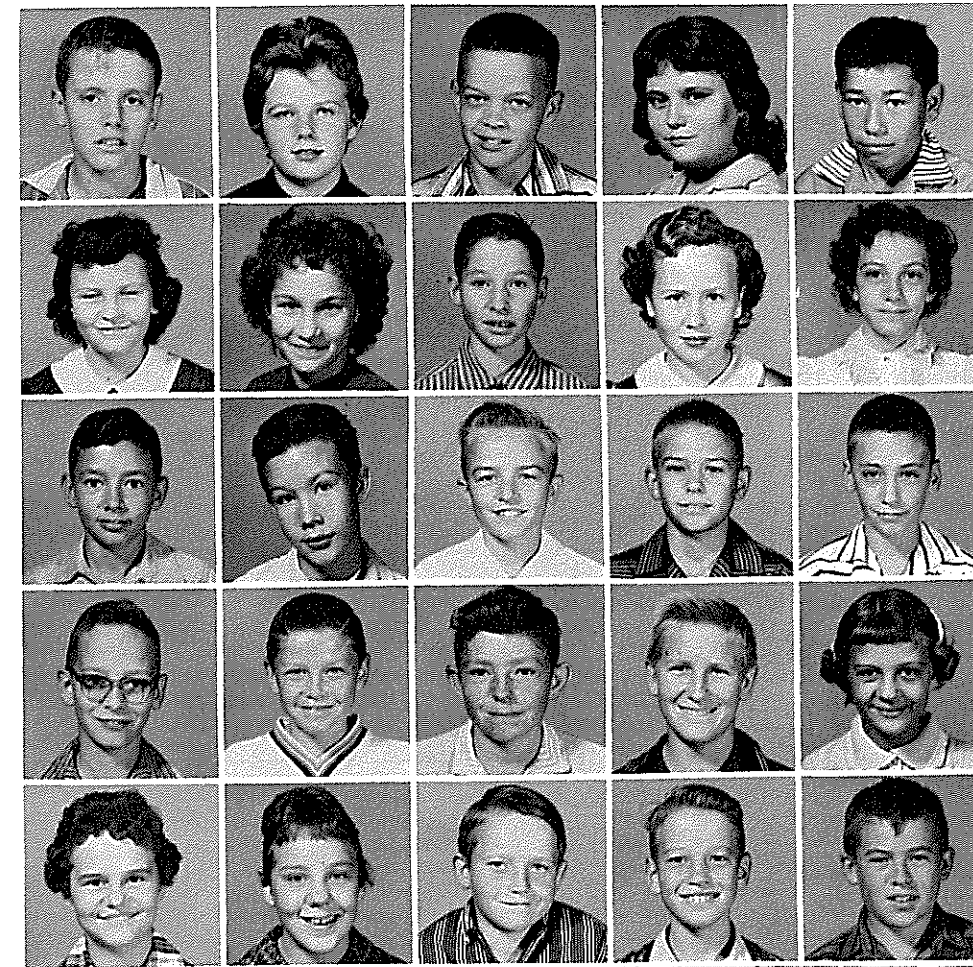

A very elaborate parade was planned for Homecoming this year, only to have to cancel all activities because of a terrific rain which lasted all day. The above float was completed by the teachers and students of Purple Sage. It represented the Elementary years of Mr. Thompson's life. The parade was to have commemorated the life and work of Superintendent Tommy Thompson on his completion of 25 years with the Kermit Schools.

These Junior High Students walked off with the Spelling honors.

Jimmy Whitling won Choral honors in the Choral contest held in Odessa. He won a First Division.
