

## FOREWORD

In this atomic age, our ways of life are constantly changing, as they will continue to do in the future. Yes, times change, but the memories of your school life will never change; only become more cherished in the years to come.

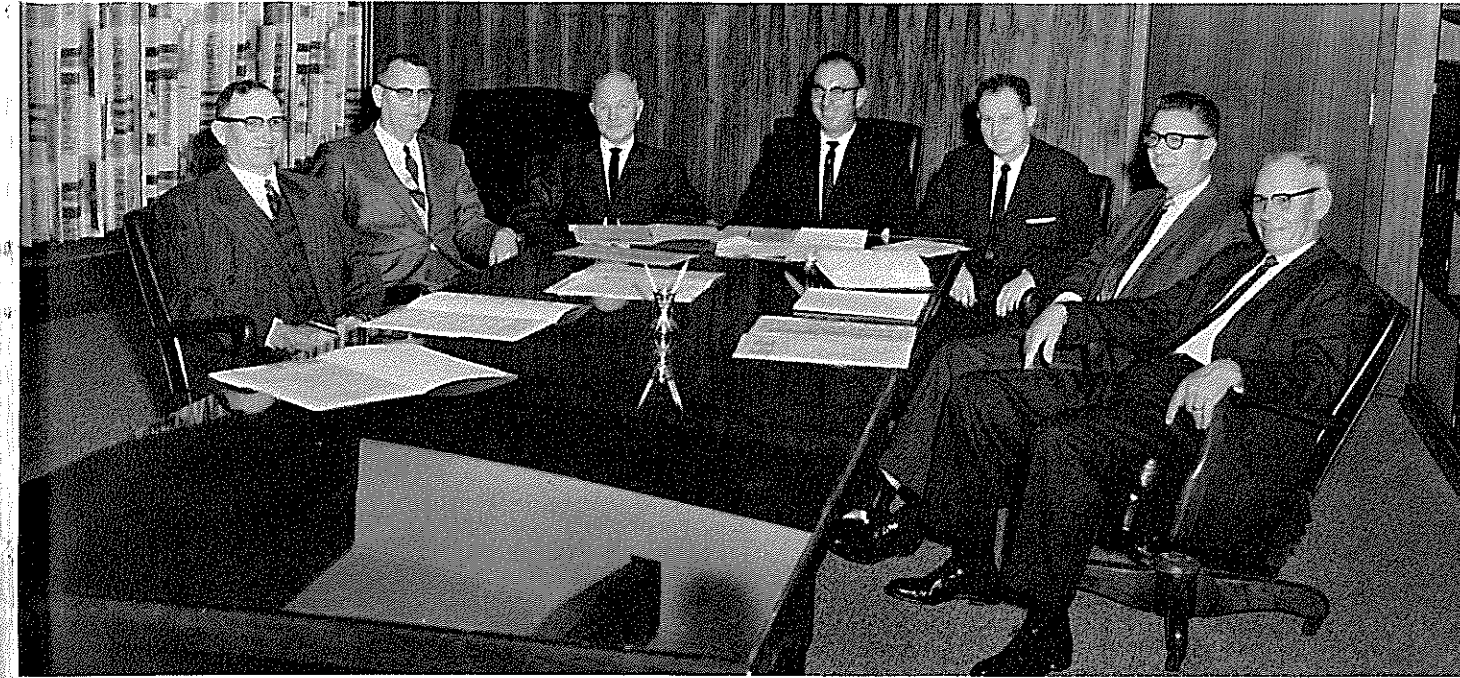

As we have compiled this annual, we have done so with the hope of recording your activities. May you open this book and relive pleasant memories of carefree days, friends, good times, and a job well done in K H S. We hope that it will bring to you thoughts of a memorable past and a promising future.

The Staff's work has been completed--and now we offer to you, the 1960 SANDSTORM.

## DEDICATION

We, the staff of the 1960 Sandstorm, proudly dedicate this annual to the Kermit Independent School Board, the tireless group of men who make the Kermit Schools possible.

We offer this annual in behalf of the student body, as tribute to these worthy men who have so graciously contributed their time, and enthusiasm to our school.

We present this 1960 Sandstorm to these men in appreciation for their unrewarded efforts which they have given throughout the years of their services to Kermit and which they will undoubtedly continue to give gladly year after year throughout Kermit's brighter future.

We give this Sandstorm proudly, yet humbly to these men----
