

Students wait for the bell to ring after the lunch hour.

Students engage in one of the many club activities.

The freshmen occupy a large section of the auditorium.

Enrollment Sets Record

With the coming of fall and the fading away of summer, students say good-bye to the leisure time they have enjoyed for three months as they enroll for the 1961-62 school year.

This year a new record was set when 583 students enrolled. The Freshman Class was the largest with 230. There were 162 sophomores, 89 juniors, and 102 seniors.

Freshmen Learn Obedience

Every year, of course, there is a new class of Freshman students who come to KHS and start their high school life. This year's class has been the largest, having 230. Although they are the "fish" in high school, they are as much a part of high school life as the seniors.

The freshman and senior years are probably the two most important high school years to a student. In the freshman year, he looks ahead and has his high school life before him; while in his senior year, he looks back and can remember an important part of life.

Students rush to pep rally.

Students make a mad dash to the cafeteria to avoid the noon rush.

Freshman cheerleaders are Kandy Mullen, Patricia Gilbreath, Jane Bell, and Charlene Bridges.

A noble senior tells the lowly freshmen to "obey."
