Student Council Holds Installation

The officers and representatives of the Kermit High School Student Council were formally installed on September 28. Menis Paraskevas, our foreign exchange student from Greece, was installed as an honorary member. The candlelight ceremony took place during a regular class assembly.

There are 28 representatives in the council; each member represents an advisory group. They are elected on the basis of honor and merit.

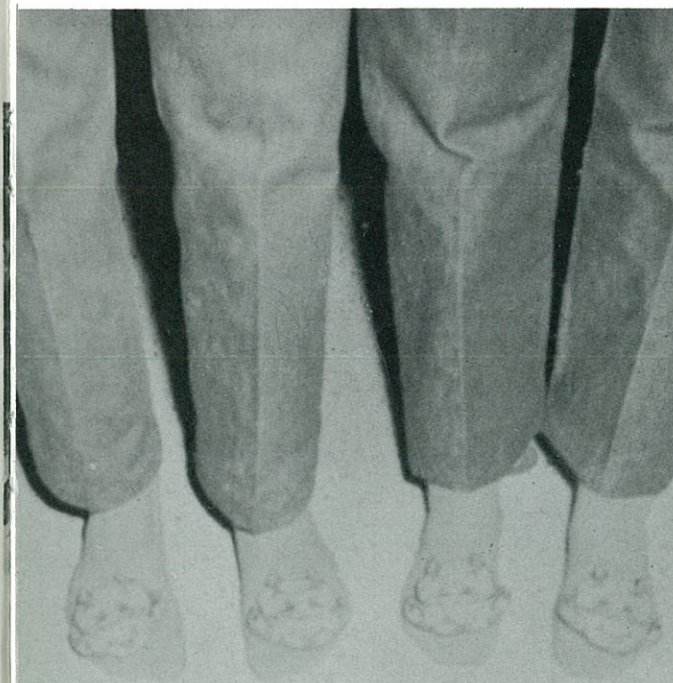

The officers of the Student Council were elected in the spring of 1961 for the 1961-62 school year.

Socks Rock at the Hop

On October 7, the Sock Hop, the first dance of the school year, was held in the Winkler County Youth Center. Everyone was urged to get acquainted with the new youth center director, Leon Blakney. Original socks brightened the scene. Charles Reynolds and Miss Carolyn Smith were judges for the event. Awards were presented to four couples and two stags.
