## County Government Day Proves Successful for KHS Seniors

*The whole student body voted in the general election to choose between the Nationalist and 130 Federalist parties.*

March 26 dawned a busy and great day for the seniors of KHS. This was the day on which County Government Day was held. Elected officials were sworn in for a day by Judge Cook. That afternoon all the seniors went to the courthouse for a mock trial. A robbery by three "hoodlums" took place at Meek Motor Company. After a search of two days, sheriff Ronald Dean and constables Ann Jackson and Alice Bobo arrested Bobby Manning, Joe Compton, and Toni Roe. The three hoods were tried in court and found guilty. Manning and Compton were given sentences of ten to twenty-five years and Roe was sentenced to five to ten years. That evening a banquet was given for the seniors by the American Legion in the school cafeteria.
