

National Thespian

MEMBERS: Top Row — Phyllis Boles, Linda Bond, Carol Probst, Cheryl Mitchell, Joan Graves, Carol Nelson, Jane Hobson, and Geraldine Hoover.

The National Thespian Society is a fairly new organization in KHS. Its purpose is to give the student that has true interest in dramatics the opportunity to work at something he likes. A student may become a member after acquiring a designated number of points, which are collected from participation in dramatic production, and fulfilling the initiation procedures. The Thespians sponsored "Glass Menagerie" as well as helping with other speech activities.
