## Jackets Score High in Track; Finest Year Ever Recorded

Jacket Thinclads had the finest year in recorded history. They scored high in all the meets in which they participated. They finished fourth in the West Texas Relays behind the best in 4-A divisions. The team established some new records and Gary Hobson vaulted 13 feet 1 3/4 inches at the district meet to set a new record. Pat Casey set a new 880 yard dash record in a surprising finish. James Russell high jumped 6 foot 2 3/4 inches to establish a new record. Larry Burrows stretched out for a 22 foot 1 inch broad-jump record. An ailing Jacket team put four members on the road to the State meet, but failed to garner Regional as Lamesa and Snyder scored 63 and 62 ahead of Kermit's 61 points. The district win was pulled out by the men who won thirds, fourths, and fifths and gained the needed extra points to beat a thundering herd of Mustangs from Andrews who had held a ten-year monopoly on district 2-3 A. Phil Everett, 220 yard dash winner, joined Hobson, Russell and Charles Bold to the State meet.

These boys won at the district track meet. Left to right are Larry Burrows, broad jump; James Russell, high jump; Pat Casey, 880 yard dash and relay; Joe Burnett, relay; Marty Mayer, relay; Phil Everett, 220 yard dash and relay; Charles Bolf, high jump; and Coach Fannin.

Charles Bolf and James Russell won in high jump at regional and went to State. Bolf placed second and Russell placed first.

Coach Jetton and Coach Fannin are shown with the trophies won at the Permian Basin Relays held in Kermit.

The Freshman Track Team lost only one track meet during the season.
