

Dedication

The new life begins when Freshmen come to high school. The joys, pains, and genuine feeling of achievement and defeat combine to make you a Yellow Jacket. Study—Sports—Extra-Curricular, it all becomes a part of what you live and love.

To you, the student body, who have made the halls of KHS a place of happy memories, we dedicate this 1962 SANDSTORM with pride. You have built and strengthened our standards and revered the Maroon and Gold.

The spirit and determination you have borne through all endeavors is within itself a thing to remember. Endless numbers will follow your patterns, but we are proud to dedicate this book to you, the Kermit High School Yellow Jackets.
