Future Business Leaders of America

To become a member of the national and state affiliated FBLA club, a student must be (or have been) enrolled in a typing or bookkeeping class. Memory work is required for the first degree and must be completed before the student can be accepted for membership. National and State dues are one dollar per year.

The central aims of FBLA is to develop competent, aggressive business leadership, to create more understanding and interest in choosing business occupations, to strengthen the confidence of the members in themselves and their work, and to learn to depend upon their own self. The club has three levels of membership based upon achievement and service to the school or the club. The organization participates in other activities such as providing Valentine telegram service to the students who were fortunate enough to receive one.

OFFICERS: President--Bill Southern, Vice-President--Edra Rutledge, Reporter--Connie Ballenger, Secretary--Charlotte Eads.
