

## National Thespian

The National Thespian Society's purpose is to give the student who has true interest in dramatics the opportunity to work at something he likes.

## Thespian Apprentice Group

Many students have a talent for acting, but never exhibit it. The Thespian Apprentice Group was organized for these students. The "Tags" as they are so called, sell tickets, usher at plays, give devotions, put on skits, do anything to acquire points for Thespians.
