

# T.V. Day

## JUNIOR HIGH

These are the carefree days before  
growing up,  
When children are mischeivous like a  
young pup.  
It's puppy love and climbing trees,  
With boundless energy like tiny bees;  
Through trials and troubles someday  
they'll sprout--  
And then we'll wonder why we ever had  
a doubt.
