Enrollment Increase During School Year

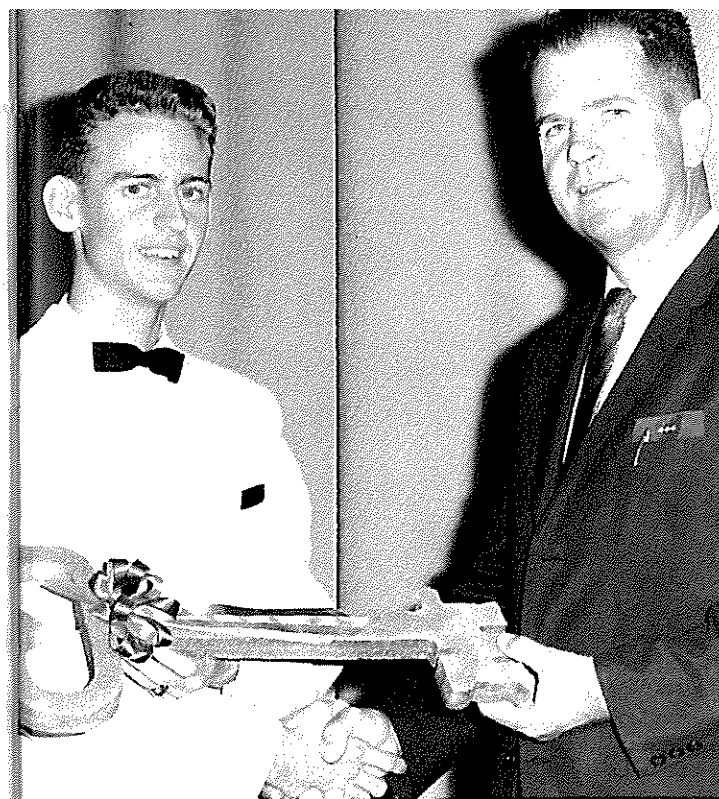

Classes swelled the first day of school as 231 freshmen entered their first day of school at Kermit High School. There were 191 sophomores plus 134 juniors and the dwarfed senior class which had only 78 members. The high school total was 634 which beats by 48 students the final total of 586 at the same time last year. Not only were students changing classes, but also teachers. Every classroom was in use every period, so a classroom was put to use in East Primary.

Kermit High School's foreign exchange student, Ingela Davidsson arrived in Kermit and met her new brother Steve Everest.

Exciting things have taken
place;
Balls and dances set the
pace.
Kings and queens and roy-
alty reign,
Holding for each a year of
fame.
It's been a year of joy and
cheer—
A year to remember and
hold so dear.

Officers and representatives for the coming year were installed September 27 during assembly in a formal ceremony. Mr. Julian Dawson swore in Bill Southern as President of the Student Council. Southern then took over and installed Anita Holmans as Vice-President, Marie Alexander as Secretary, and Jon Atwood as Parliamentarian.
