 Wallace.

SMILIN' THROUGH was a Romantic-Comedy
 by Allan Langdon Martin, telling the story of
 an old man who is mentally living in the past
 and trying to make the present conform to what
 he would have liked for the past to have been.
 By observing this man, John Carteret, we
 could see, just as he finally did, how hate and
 self-pity, as a result of the past, can blind a
 person to most of the joys of the present.

Two events which are looked for ward to all year long
 are the Junior-Senior banquet and prom. This year the two
 were combined for the first time. The banquet, given by the
 Juniors in honor of the Seniors, was a Mexican style affair.
 It was held in the cafeteria and was the scene of a brightly
 decorated tavern.

The prom began at 8:00 immediately following the ban-
 quet. Bob Goebert's band from Odessa furnished the music
 for "the Stork Club," the theme chosen by the Juniors. The
 presidents of the Junior Class and Senior Class and their
 dates began the dance.
