In the eight year rivalry between the Kermit Yellow Jackets and Hobbs Eagles, the Eagles were reputed to have its best squad in years, but were overcome by the Yellow Jackets. The Jackets won their second game of the year over Wink. There were many bright spots in this contest. Kermit ended pre-district plays without a loss when the Jackets defeated Lake Worth, the 9AA favorite which filled in on Kermit's schedule when Colorado City cancelled out. These games proved to be top notch performances with sparkling plays throughout.

BOBBY THOMPSON

This was the annual Homecoming game, won by a Jacket team that the alumni could be proud of. The Yellow Jackets displayed an effective passing combination and some stout defensive plays and won their fourth victory without a loss for the season.
