KERMIT "K"

Kermit High School "K" Band, organized in September of 1935 by its present director, H. H. Copeland, will compete this year in the National Contest for the third time. During the past six years this outstanding organization has carried the colors of Kermit High School to many contests, festivals and parades, bringing home nineteen trophies. However, in the spring of 1940 the "K" Band brought home the most distinguishable honor by rating first division in both marching and concert performance in Class C at the National Region VI Band Contest.

Band

Also in 1940 the Junior High School Band rated first division in the Texas Region VIII Contest. Continuing in the Spring of 1941 the musicians have upheld their past record by rating, for the fifth consecutive time, the highest honor at the Odessa Fat Stock Show Parade.

"K" Bandsters were hosts to thirty-five West Texas bands in the State Region Contest held at Kermit High School. Previous accomplishments of this group entitled it to go directly to National Region VI Contest at Waco without competing in this contest.
