

YELLOW-JACKET SQUAD, '40

The football season of 1940, coached by Coaches Kotrola and Kimbriel, was one that far exceeds all previous seasons.

The Jackets turned in a fine number of games won and those lost; winning six and losing four, and tying none. The squad placed second in the district by defeating Monahans the last game of the season.

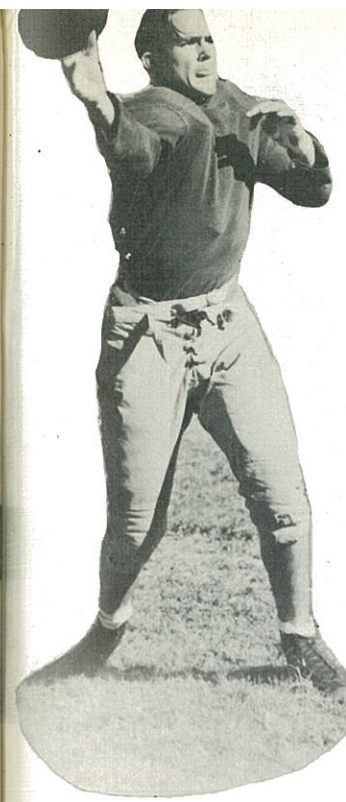

Highlights of the season were: Coach Kimbriel's coming to Kermit as line coach; the fine record set by the squad placing second in the district. The slight margin by which Tahoka, McCamey and Crane were defeated; the superb defeat of Monahans, a strong contender for the district championship, by a score of 26 to 0; season's awards of satin and brushed wool jackets to 19 lettermen; these will linger in the minds of the graduating Seniors as the best season ever finished, the season of "'40'".
