The K Club is an honor organization of KHS. Membership is gained by lettering in band, football, basketball, track, manager, tennis, pep leader and drum major and twirlers.

Initiation is held twice a year, in the fall and in the spring.

The club was organized in 1935 under the direction of Tommy Thompson. This year a constitution was drawn up and ratified.

When Birddog Smith, one of the members, was injured the club felt that something should be done to help him. They sponsored a series of basketball games and netted over \$600. This went to buy Birddog a hospital bed, pneumatic mattress and other things that he needed.
