BOBBY GOLDEN

Efficiency and friendliness marked his reign as class president. He was prominent in track and football.

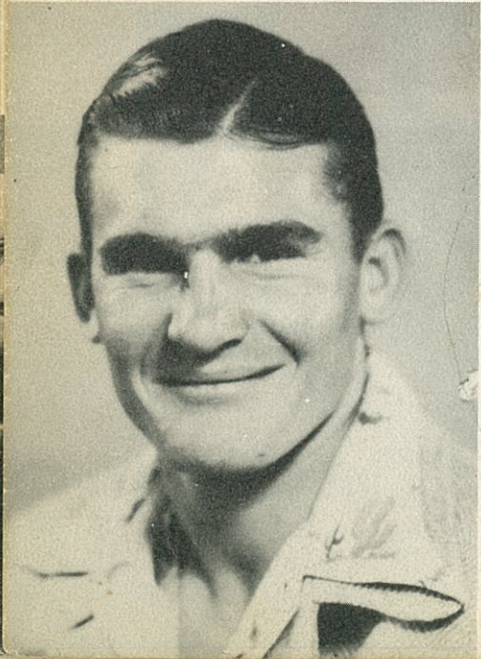

ALMA JEAN RHODES

Dependable and admirable our yearbook editor has left her mark in KHS. Representing her class in '46 she was also '47 class reporter.

EVA JEAN HIXON

The class red-head is known to all members of KHS for her wit and capability as class Secretary.

TOM SPINKS

"Get 'em, Tiger," roared the grandstands to our popular class Vice-President. He is a favorite among all his classmates.

DELBERT ALGOOD

Our all-district center who lettered during the '46 season proved himself a good sport and classman at all times.

BETTY ARNOLD

The adjectives cute and sweet fit this Senior girl who has been active in her class service.

DOUG BRADHAM

Doug was the secret flame of several KHS girls. This football player was the quiet, bashful type.

ROAUL BEGLEY

"And let the rest of the world go by", appears to be Roaul's theme. This football player enjoys life and takes it as it comes to him.

BETTY JO BOONE

Betty is as sunny and gay as her music which is one of her chief interests. She served two years on the Student Council.

NINA BLACKBURN

This dark-eyed blond is a newcomer to our school with a sweet, sincere personality. She is noted for the mischievous twinkle in her eye.

JIMMY BROCK

Jimmy, although short in stature, is big in personality and humor. All of KHS hated to see this grid-iron star leave our school.
