T. Gilligan, Christine Stewart.

STUDENT COUNCIL

The Kermit High School Student Council, set up in 1941 under the supervision of Tommy Thompson, is the most important of all K.H.S. organizations.

Its purpose as stated in the Constitution is to form a more Democratic organization, insure loyalty, establish good citizenship, improve student-faculty relations, promote school spirit, and provide clean recreation for all.

This year the Student Council lead by Billy Joe Dodson was elected president of the West Texas Forum, an organization of surrounding schools.

Some of this year's projects include sponsoring dances after football games, scheduling assembly programs for the year, sponsoring the Hallowe'en Carnival which provided funds for all classes and clubs, starting a clean-up campaign for the school, aiding the Alumni Association in the Homecoming activities, and working continually for the betterment of K.H.S.
