MRS. MULLINS

Dear Yellowjackets of 1951-52:

We have had an eventful year. Moving into the new high school was an event long awaited. Many successes have been ours: in athletics, music, journalism, classwork, and a multitude of other activities. I congratulate each of you.

May I urge you to continue to be a worthy representative of K. H. S., both in school and in your post-high school career. Covet the name of "good citizen." Love your God, your country, and your fellowman.
