

The Yellow Jackets were wholeheartedly supported this year by one of the finest pep squads Kermit has ever had. It was great to see a fully uniformed squad marching with the K. band.

PEP SQUAD

The Choral Classes were composed of the Mixed Choir, the Girls Choir, and the Boys Choir. This was the first year in K.H.S. for a Boys Choir. All three choirs attended the University Interscholastic Contest at Odessa this year, also they appeared on various programs and concerts throughout the school year. Congratulations to these fine choirs for a job well done.
