SC Serves as President

The Kermit Student Council President, Lonnie Hayter and the Student Council were kept very busy during 1964-65 serving as the President of the Texas Association of Student Councils.

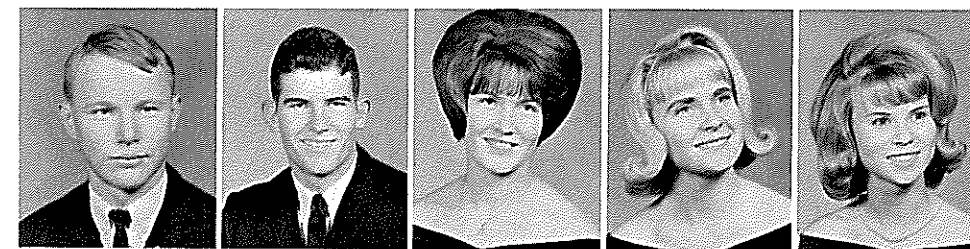

Lonnie began his term by going to Bangor, Maine to the NASC Meeting last summer.

At the beginning of school he went to a Junior High Convention in Laredo, Texas which made him the first TASC President to speak at a junior high convention. February 27 through March 3 he went to Williamsburg, Va. to attend a House of Burgesses Meeting and on to Washington D.C.

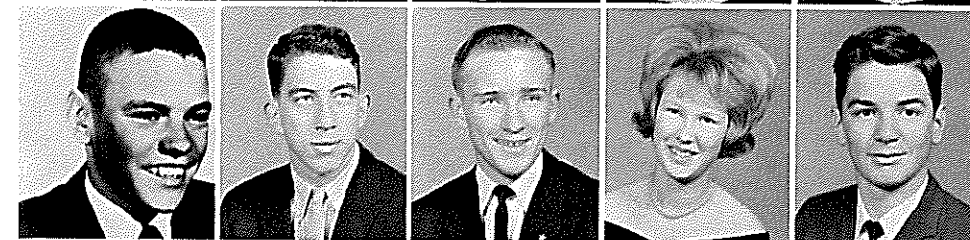

March 25 at the TASC Convention Lonnie delivered the keynote address in Midland which was entitled "I Must Know Myself."

Lonnie made other speeches at El Paso, Andrews and the Plains Baccalaureate.

The Student Council had a very prosperous year and many rewarding experiences which contribute to the success of KHS, according to sponsors Mr. Johnnie Roberts, Miss Betty Bleeker and Mr. Herman Barrs.
