Council Busy at Home and Away

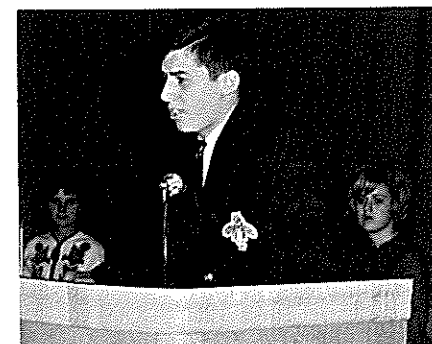

As President of TASC the Student Council has been an active representative of KHS at home as well as away from home.

To start the year off the SC sponsored the All-School Party which provided fun and food for all. Much work and planning brought a first prize for the Christmas float.

In the 64-65 election held in February, Marc King, David Fielding, David Lancaster and Martha Bridges were elected to head the council next year.

Along with spring came the annual open house and the SC acted as host.

The council also sponsored the Christmas door decorations, March of Dimes drive, canned food drive and were responsible for keeping the bulletin boards posted.
