## Students Work Behind the Scenes to Make Events Successful

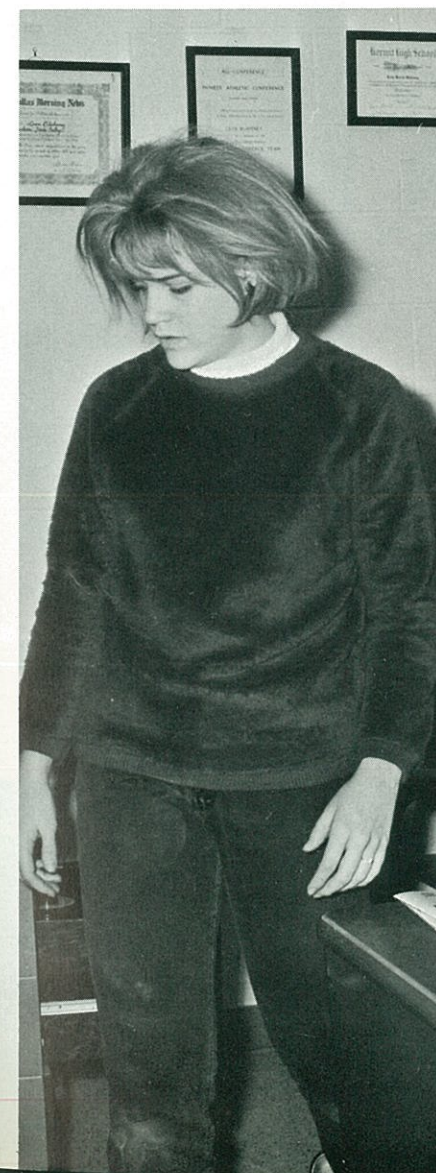

For any event or occasion to be successful there must be much planning and work before the event is held.

Behind the scenes of every play, program, assembly, ball, prom, banquet, election, and campaign goes the work and devotion of the students involved.

Toni Parker and Pam Pedan read and study scripts during Senior Play practice.

Sharyn Moore takes a break from decorating the Youth Center for the Press Club Ball to listen to a record.

Randy Bryan paints the set for the Junior Play "Look Who's Laughing".
