## Staff Strives to Produce Book of Memories

Mr. Jerry Kight, Advisor

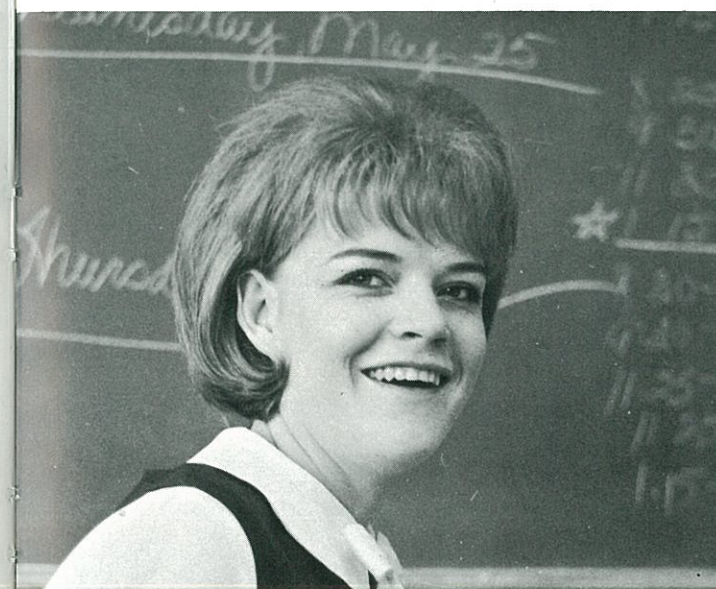

Randy Whorton, Ernest Tate, Joe Elliot, Franky Ricketson, Photography.

To a student an annual is a book that is autographed and admired at an annual signing party, then put on a shelf to gather dust for a few years.

To us--the annual staff--it has meant tears, toil, sweat, cutlines, pix, heads, copy, margins, and many other things that add up to work. But not all work because it has been an enjoyable task producing your yearbook.

We hope that the end results will be a book that you can look at in the future and remember 1966 exactly as you lived it at KHS.
