## Press Club Sells Programs To Raise Money for Ball

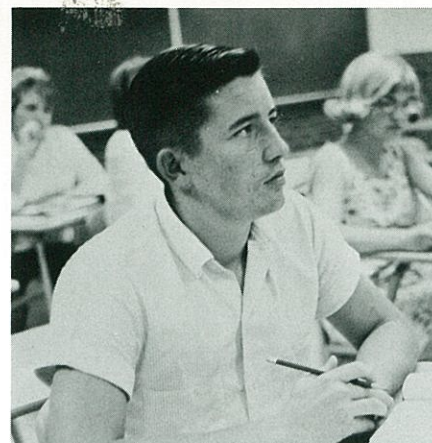

Tradition was once again upheld by the Press Club as they sponsored the annual Press Club Ball. The money which was used to pay for this annual affair was raised by members selling football programs at home games.

This formal event is the only one which all the students of Kermit High School can attend. It was sponsored by Mrs. Jewell Martin and Mr. Jerry Kight.

Serving as officers for the year were: Sharyn Moore, president; Patty Robinett, vice-president; Susie Jackson, secretary; Ruth Wilson, parliamentarian; and Joyce Worley, reporter.

To be eligible for membership in the Press Club a student must either be a member of the Journalism class or on the annual or Yellow Jacket staff. Freshmen are not eligible for membership.

At the October meeting, Miss Diana Hampton spoke to the club and showed slides of her trip to Europe.
