

The Pride and Spirit of Kermit High School

Pride and spirit are two things that any individual, group or institution must have to be self-satisfied and successful.

We, the 1966 Sandstorm staff, believe that Kermit High School--its organizations and individuals--has a burning desire to excell that is kindled by pride and spirit.

The Sandstorm has tried to capture the pride and spirit of KHS in action on the playing field, stage, court, classroom and everyplace a Yellow Jacket has performed in 1966.
