Student Council Serves as Secretary of WT Forum

The Student Council had its usual busy year. Serving as Secretary school of the West Texas Forum made it an even busier one.

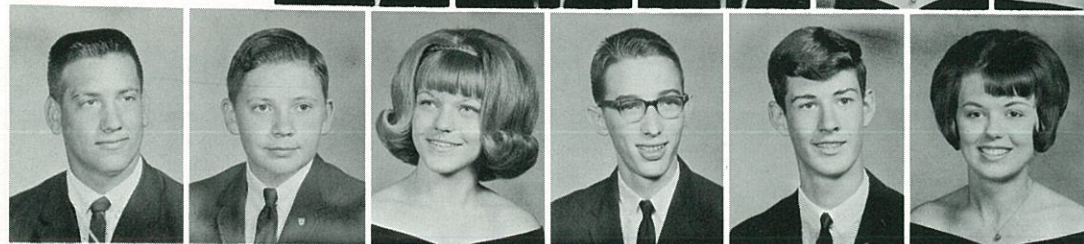

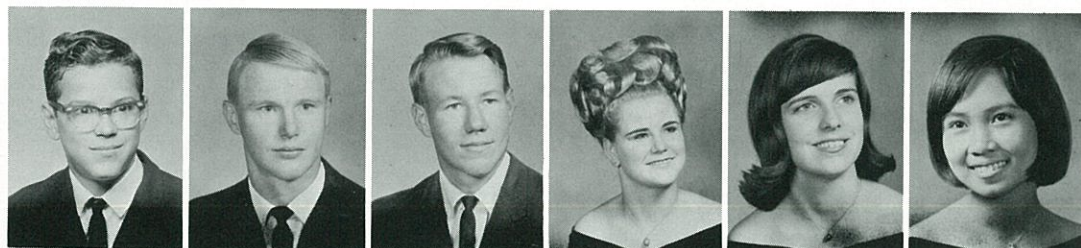

Among several new activities the Council sponsored were: putting team names in the end zones during home football games, selling KHS pins, having a canned food drive. They also sponsored a Community Variety Show and a clothing drive.

The Council served as host to the District Student Meeting, with over 500 students and sponsors attending.

At the State Conference, which the Student Council attended, they were a member of the State Executive committee, and served on the State Constitution committee.

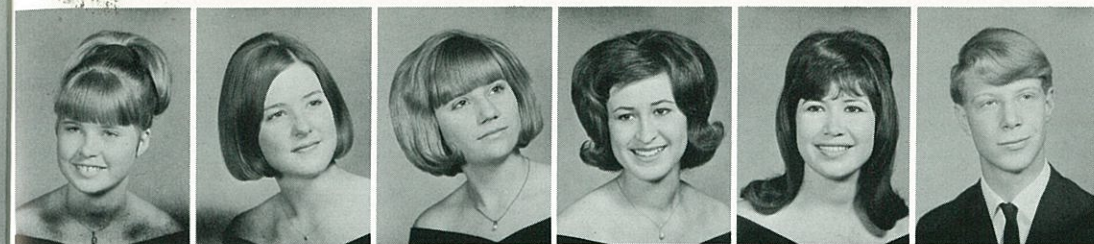

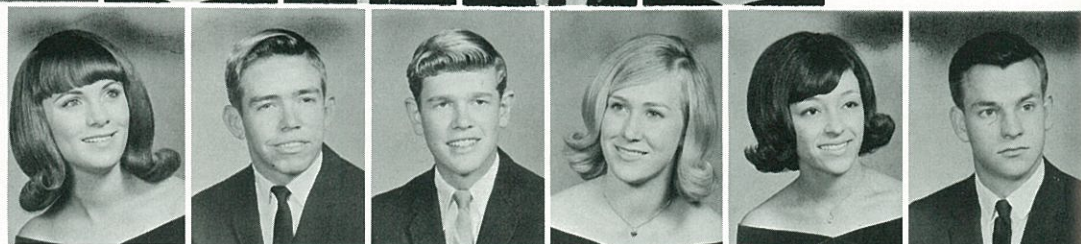

Sponsors of the Student Council were Mr. Johnnie Roberts, Miss Betty Bleeker and Mr. Herman Barrs.
