

Languages Aid Communication

Each of the four English courses in Kermit High School is a segment in the cumulative and sequential program including the reading of literature; composition, oral and written; and grammar, mechanics, and usage.

Two Latin courses and three Spanish courses are offered as foreign languages. Learning some of the most frequently used abbreviations, phrases, idioms, mottos, and proverbs proves to be worthwhile in Latin. The general objectives of Spanish are to teach the students to use the Spanish language as an intelligent means of communication.

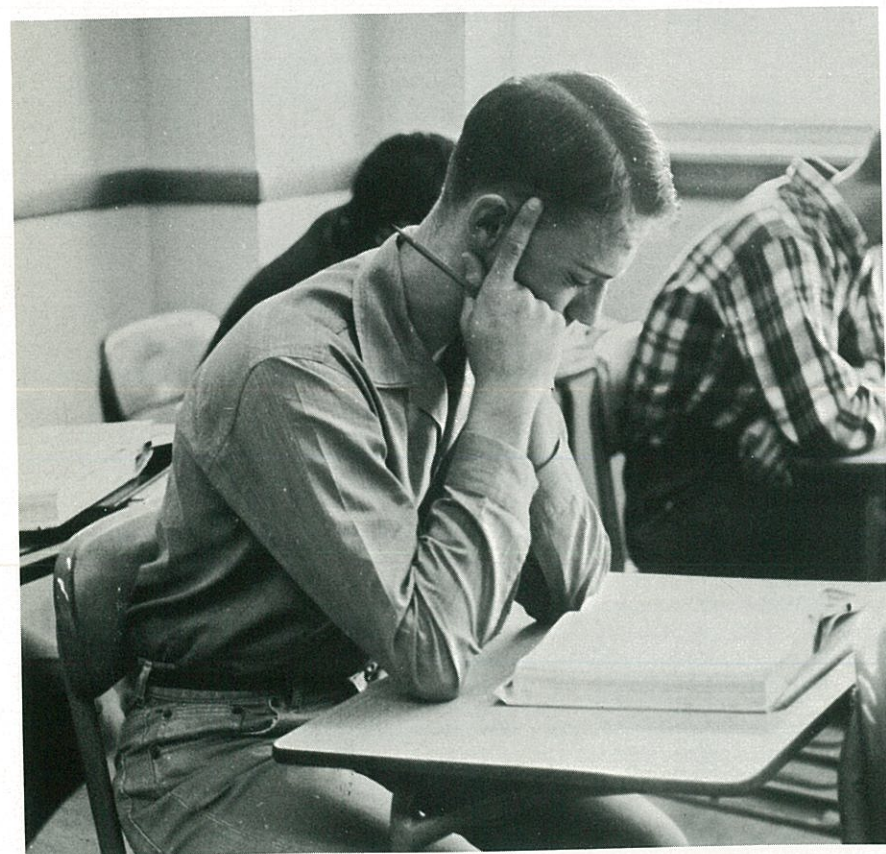

Brenda Bearden listens to lesson tapes in the language lab.

Mr. Tommie Richardson aids Dee Ezell in finding information for an English report.

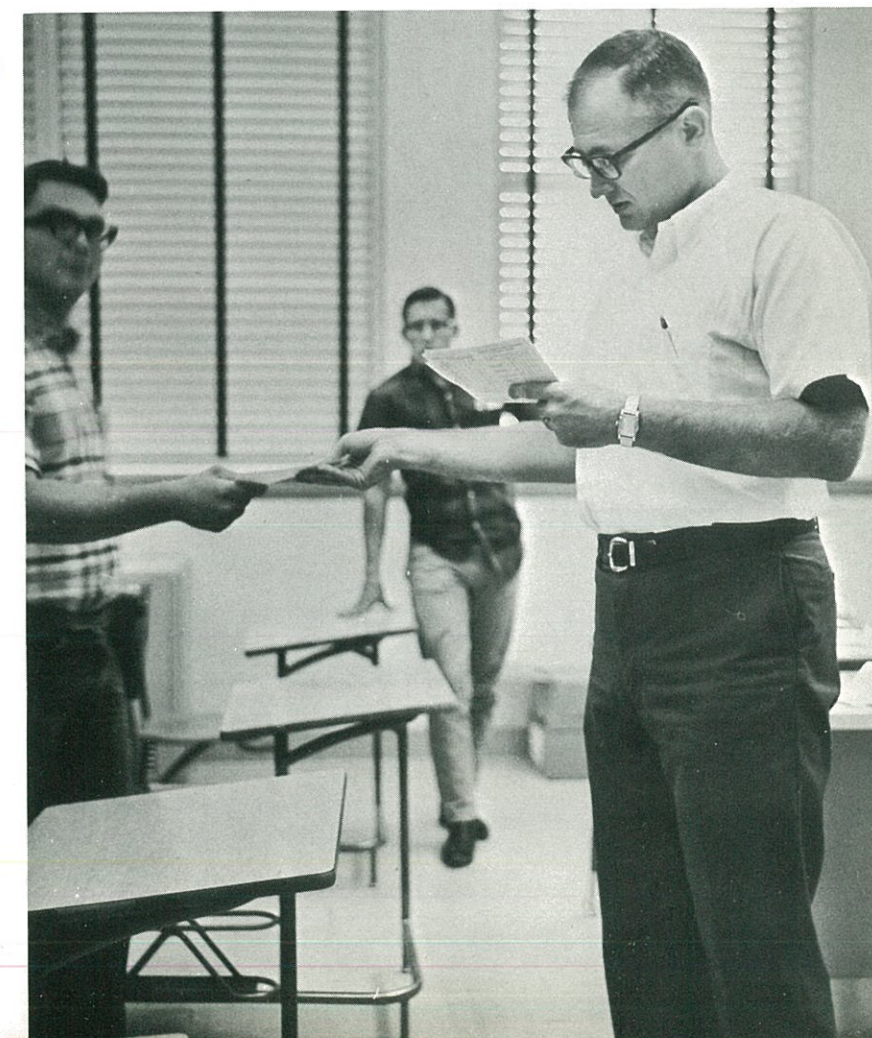

Mr. Travis Harville gives instructions to his students in Spanish lab.

Richard Crow studies diligently during English class.

Michelle Mabe adjusts her ear-phones in Spanish lab.

Mr. James McTee distributes report cards to his English class.
