Advisory Board Supervises Youth Center Activities

Mr. Joe Marlett and some of the Advisory members discuss items of the upcoming meeting.

The Youth Center Advisory Board consists of sixteen high school students: two girls and two boys from each class. The new members are appointed by the board. They are viewed by the sponsor and faculty who select them. The members meet and discuss policies and activities of the Youth Center.

The Advisory Board chaperones the Junior High parties given each year. The board runs the concession stands and watch other students to see that the equipment is not abused.
