

The Regional qualifiers did a fine job at Odessa. They had a total of 60 points, beating Dunbar one point for the class 3A title. Henderson got a 3rd in the 100 and a 4th in the 220 and a 3rd in the sprint relay. The sprint relay team got a 3rd, made up of Sharp, Thompson, Munn, and Henderson. Mac Dampeer got a 2nd at state with a 6'2" in the high jump and a 6th in the long jump. Hodges got a 4th in the 330 yd. hurdles at state. Sharp got a 8th at state in the long jump. The little Kermit team had 13 points which place Kermit 11th in state. For such a small team with little depth, the Kermit thinclads have done a fine job for the season.
