Drivers Ed.

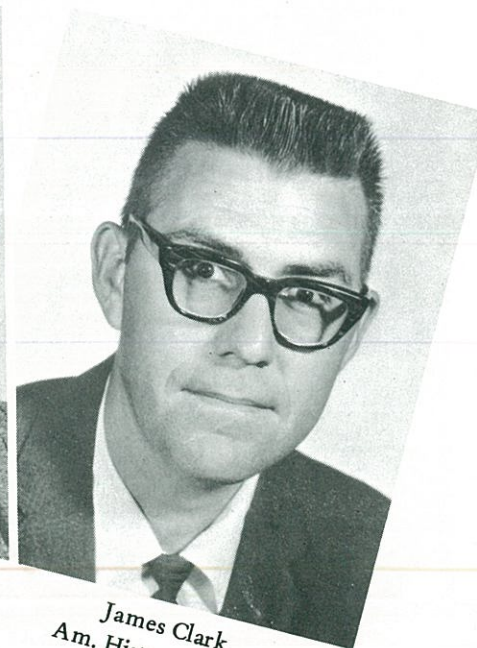

Through the social studies offered in Kermit High School, the students are given an understanding of the changing world in which they live; a study of the nation's economic, social, and political development; the study of the structure and function of local, state and Federal governments; the study of people and their basic situations that they encounter in their daily lives and the study of the processes by which people earn a living.

Band

Choral

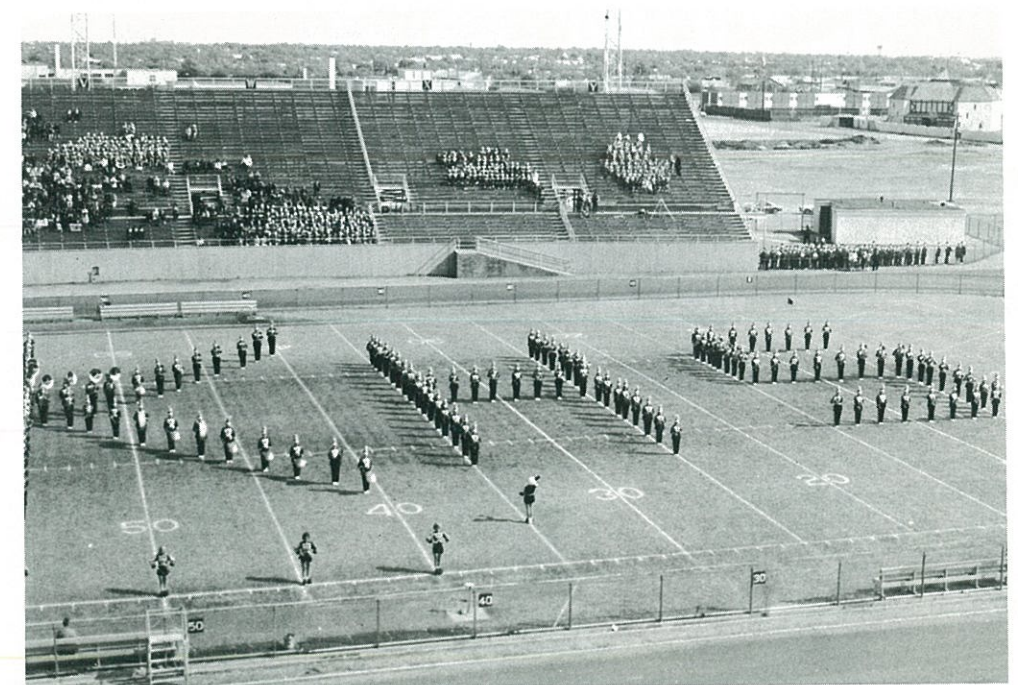

G. T. Gillian
Band

Rodney Knight
Choral

The school band is a musical organization serving as a laboratory for students of instrumental music, while the choral department serves as laboratories for students of vocal music. The students are members of three choirs—Freshmen Choir, Choraliers, and Yellow Jacket Choir.

The KHS Band has won many awards for its marching and playing.
