

# *Juniors—No Longer Content to Follow*

We have come a long way since the beginning of our education, but the most important year is yet to come. We have contributed to K.H.S. through our talents, hard work, but most of all our loyalty. In return K.H.S. has given us the ambition to always strive for the best. We will always cherish our memories of K.H.S. It would be hard to forget homecoming, Twirp Week, the Coronation Ball, the Junior-Senior Prom, and the graduation of our Seniors. Each year the seniors set the standard for K.H.S. May we, as Seniors next year, continue in the high quality K.H.S. has known.
