The Sportsmanship Award

The coaches of K.H.S. nominated boys and girls who they thought showed the greatest amount of sportsmanship during the year. The names of the nominees were submitted to the faculty who chose Guy Cook and Sharon Bolf to receive the Sportsmanship Award.

Guy has been an important asset to both the varsity football and baseball teams this year. Sharon has proven to be a big help to the volleyball team as an outstanding player. Both Guy and Sharon are true Yellow Jackets and are very worthy of this award.
