On a rainy Friday night during October the Kermit Yellow Jackets fought the Ector Eagles to a 13-13 tie at W. T. Barret Stadium in Odessa. Each team had four turnovers on the rain-soaked field. A fumble by Ector in their own end zone gave the Jackets their first touchdown, as Rodney Drennon recovered it. Green's kick was wide. Kermit's second touchdown was set by a fumble recovery on the three. John Stout slammed over from there and L. D. Green added the one point conversion.

Kermit Loses to District Champs

The Pecos Eagles stopped Kermit's hope of a district championship by posting a 27-14 victory at Walton Field. A tough Pecos Defense held Kermit time after time as they racked up points during the first half. A fumble recovery by Jerry Barron on the three yard line enabled the Jackets to score. Stout took the ball over from there and L. D. Green added the PAT. Kermit's final score came on the longest run from scrimmage for the year as Stout scored from 88 yards out. Green again split the up-rights for the conversion.
