COACHES COMMENTS

Seventh grade football team had a 9-1 season. The boys showed much improvement and a lot of hustle all through the seasons. The boys were small in size without too much speed, but made up for these disadvantages with desire. The team ended the season with approximately 40 boys who should make good football players in the future. They have developed a lot of pride in being Kermit Daubers.

COACH'S COMMENTS

Weather and other circumstances forced the cancellation of three "A" games which we felt we would have won. These would have given us a winning season. The team showed excellent hustle throughout the year and improved with every contest.
