

A Great Lady

Mrs. Jewell Martin

Tribute to Mrs. Jewell Martin

Mrs. Jewell Martin is taking early retirement. Thousands of former K. H. S. students, as well as those in high school now, will feel a twinge of regret that this great lady will no longer grace the halls of K. H. S.

For over twenty-five years, Mrs. Martin has served this community and its schools. Her counsel and advice have been one of our best assets.

Mrs. Martin loves people. She wants to do things for people. Her kindness is a badge that she wears with honor. She cares. She is a Yellow Jacket. She will be missed. We are better people because we have associated with her.
