

The 1974 Track Teams

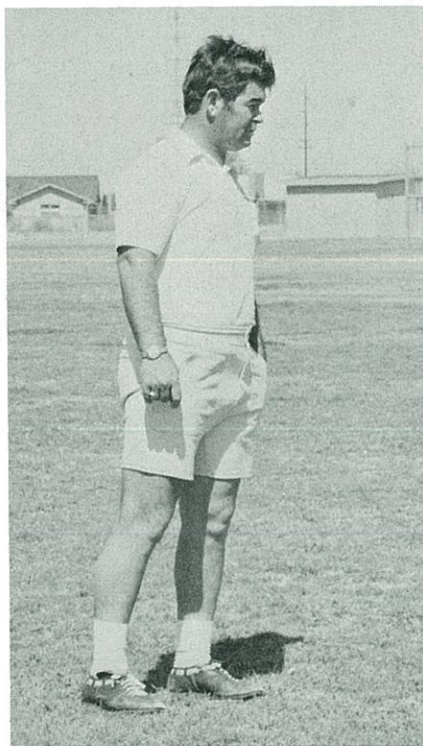

The 1974 K.H.S. Track Team competed in seven meets including the District 2AAA meet held in Andrews. Head Coach James Pope and Assistant Coach Mike Patterson worked hard with the young men, and the other towns had some tough competition. At the Mustang Relays held in Andrews, Kermit came in first place. They received second place in the Seminole Invitation held in Seminole, and a third place at the Comanche Relays held in Ft. Stockton.

Other meets they competed in were: The Burges Invitational held in El Paso; The West Texas Relays held in Odessa; The Permian Basin Relays held in Kermit; and finally the District 2AAA meet held in Andrews.

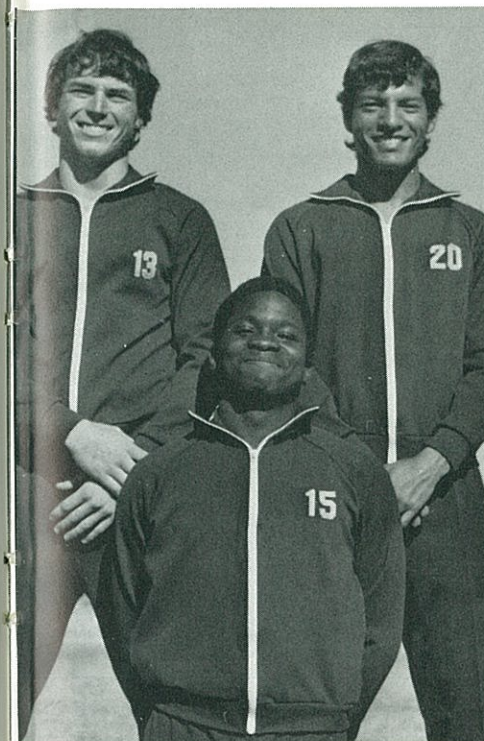

One of the highlights at the West Texas Relays was when Bob Hayes competed in and won the 40 yard dash against John Smith, who holds the world record in the 440 yard dash.
