## Leaders Of Tomorrow

FRESHMEN entered the halls of K.H.S. for the first time as Kermit High School's 1974 Freshman Class on August 27. Although everything seemed strange to the 149 members at first, the Fish soon became loyal Jackets and added zest to the spirit at K.H.S. by backing many school activities.

One of the first duties as a class was to choose class officers. They elected Pap Roark as President; Danny Haygood as Vice President; Mesa Mays as Secretary; John Stewart as Treasurer; and Arturo Carrasco as Parliamentarian.

Serving as sponsors for the Freshman class were: James Green, Nell Lawrence, J. E. Todd, Paula Hill, and Juan Hernandez.
