Sophs — Followers Of The Leaders . . .

Having become older and more advanced, the Sophomores realize that they have many tasks and responsibilities to fulfill throughout the year. These students of the forty-second sophomore class realize that their future and wishes are for tomorrow.

The year was filled with many events starting with the election of officers. Bill Gillock was elected President, Joe Haygood, Vice-president; Mark Sheen, Treasurer; Gina Carr, Secretary; and Christie Williams, Reporter. The sponsors for the class are Beth Manning, Don Paris, Trudy Smith, Gene Hodges, and Richard Posey.

Their own class activities included a Victory Dance for Homecoming and decorations for the Sophomore hall at Christmas, which won third place.
