Band students start getting in shape for the football season at least two weeks before school begins. They provide the entertainment for school assemblies and football halftime shows. The band experienced a year of challenges, hard work, and long hours.

The band received a Division II when they traveled to Barrett Stadium for the marching contest. The spring concert was held at Midland Lee, and the band received Division II's in concert and sight-reading. In April, the K Band participated in the Greater Southwest Music Festival held in Amarillo. They brought back a Division II in Concert and Division I in sightreading.

The KHS Band director, Mr. G. T. Gilligan, attended high school at Austin, Texas and received a B.S. Degree from Texas Tech. He has now been a director for thirty-seven years, and has taught approximately 6,000 students. Before coming to KHS, he taught at Ballinger, Texas.

Yellow Jacket band members participated on KMOM TV twice in December. Previous marching contest films were shown and the twirlers and band officers were recognized. Officers this year were: Mark Theisen—President, Keith Davis—Vice President, Mende Mays—Secretary, Kim Crawford and Brenda Fields—Librarians, and Marla Logan was Band Sweetheart.
